

Community Partnership #8

<p><i>Partnership Title:</i> Lear Corporation (Ajax) – Automodular Assemblies (Whitby) Service Action Plan</p>	<p><i>Partnership Type:</i> Other Workforce Development</p>
<p><i>Description of Proposed Partnership:</i> Document an action plan that can be used by all levels of government and by workers affected by permanent lay-offs at Lear Corporation, a manufacturer and assembler of seating systems for the automotive sector, in Ajax, and Automodular Assemblies, a G.M. supplier, in Whitby. Use an existing template to provide a description of the labour adjustment situation, profile the auto parts and supplier sector in the community, identify the impact of the announcement on the local labour market, outline labour adjustment needs, identify potential service gaps, and catalogue available support programs and services to facilitate the re-employment of displaced workers. Related TOP issue (2008) – Restructuring and permanent labour force reductions in the automotive sector result in high numbers of displaced workers who require retraining and employment programs and services to transition to other sectors.</p>	
<p><i>Role of Local Board:</i></p> <ul style="list-style-type: none"> • provide statistical data regarding the size of the labour force by sector and occupation, age distribution, and educational attainment. • profile affected labour force including special needs, key factors or challenges to successful adjustment, and common or group needs, using displaced worker survey data. • represent the Local Training Board on the rapid re-employment adjustment committee and inter-governmental rapid response team. • participate in information meetings with affected workers in consultation with leadership of the “Workers for Workers” Action Centre. 	
<p><i>Projected Outcomes:</i></p> <ul style="list-style-type: none"> • reports will be available on numbers of employees working full or part-time, in training, pursuing self-employment, relocating, not requiring assistance, etc. • displaced workers will have access to necessary programs, services and information to assist them in gaining alternative employment or pursuing further education and training.
